

# Kindergarten Sneak-a-Peek Born In 2015

This **December 6<sup>th</sup>**, the Peel District School Board is offering a sneak peek into the wonderful world of Kindergarten. Families of children **born in 2015** are invited to bring their children to their school to tour and play in a kindergarten space during the school day and to see students in action.

By inviting families and children into our schools, we want to initiate a greater sense of belonging for children and families and will promote a good working partnership with the Kindergarten educators. Families will get a chance to observe educators and Kindergarten children in play scenarios and it will help answer relevant questions about Kindergarten, as well as support their understanding of children's growth and development in the early years.

In Peel, parents are an integral part of the Kindergarten program, and are often present in the school to support the learning. Building trust and relationships between home and school promotes children to feel secure and to develop a greater sense of belonging. Sneak-a-Peek will be a first step into how schools begin this relationship.

On **Thursday, December 6<sup>th</sup>, 2018**, classrooms will be open for our new families to drop in between **9:30-11:00 a.m. and between 1:00-2:00 p.m.** Families will get an opportunity to **register** their children early for **September 2019**.
