

RIVERSIDE SCHOOL COUNCIL REPORT FOR 2015/2016

Due to the labour issues in September we had a slow start for our Council. However, parents and members of Council were very supportive and willing to begin as soon as we were given the green light.

Our meetings were not as consistent as they have been in previous years. We did however manage to meet on five different occasions and from these meetings some new wonderful ideas were added to some of our already successful ones.

We continued our mandate of working on our image in the Port Credit community. We held movie nights again which were very well attended. Suds Laundromat also supported us with a fundraiser and both of these ventures continued to help us build on showcasing Riverside in a positive light.

We also participated in both the Riverside seasonal celebration in December and the spring production in May. Both of these events were well attended by the families of Riverside. We held the chocolate sale campaign in April and May and raised more money than the previous year.

To encourage healthy eating for our students, we continued to hold our fruit and bake sales. This year we added fruit kabobs and they proved to be a real hit with the students. To continue with healthy eating we added Pita Pit lunches every Tuesday for the students. They enjoyed the lunches and the parents liked having a healthy alternative for lunch.

We were able to have Fred Penner come to the school and entertain the students from Kindergarten to grade 5 as well as the CFLC children. It was a lot of fun and the staff enjoyed it almost as much as the children. We also did Drum Fit for the whole school which was entertaining for all.

The final event of the year, which we help with, was the grade 8 graduation. Even with a small group of graduates they had a memorable grad. It began with breakfast in the morning, the ceremony, a dance and then a full class party hosted by one of the student's family.

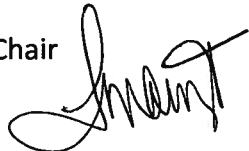

The active members of our school council for 2015/16 were: Cindy Prentice, Cathy Kosik, Lynne Sanford, Rachel Best, Kristin Reid, Tom Toubane, Birdena Fleming, Mike Irving and Tammy Manzo. Paul Officer, our Principal, as well as a staff member, were present at all of our meetings.

We also had many parents who were not active council members but were always willing to help. They were the backbone of many of our events along with the staff at Riverside. We were extremely lucky to be able to work and share ideas with such a great group of people.

I would like to thank all of the families at Riverside for continuing to be our biggest supporters.

As parents at Riverside we look forward to continuing with a strong and supportive Council.

Tammy Manzo - Chair

RIVERSIDE PUBLIC SCHOOL
