

Are you falling behind in a subject and you would like to get back on track? Would you like to receive additional practice or more help in grasping the concepts or skills that are being taught in class? Would you like a grade 7 or 8 student to explain class material in a way that's different from your teacher or easier for you to understand? Do you need extra help with your school work, but you are afraid to ask your teacher? Are you interested in improving your academic achievement?

Student 2 Student is the solution to your problem! Student 2 Student is made up of grade 7 and 8 students. The mentors are available to assist you during lunch recess, on Tuesdays and Thursdays. **They will tutor you in any subject, including Math, LA, Science, Social Studies, History, Geography, French, and Computer Technology.**

**If you are interested, beginning November 17<sup>th</sup>, please come to room 226, during lunch recess, on Tuesdays and Thursdays.**

Thank you,

**Ms. Hutchinson and Mrs. Heiss**
