

Queen Street Public School
School Council Meeting Minutes
Thursday, February 2nd, 2012 - 6:30pm

First meeting of 2012 opened with a welcome and Thank-you for all who attended.

Welcome

School Updates:

- **Parking Lot** - Ms Roper discussed school updates with a focus on Parking Lot concerns. New changes are being implemented to parking lot guidelines and families are being asked to be cooperative with these changes. It is about the safety of our children.
- Many Parking spots are being left empty. Families are being asked to please park in a parking spot if there is one available.
- There are also still concerns about families NOT holding children's hands while walking through the parking lot. Cars are often moving quickly... Please hold hands.
- There was a suggestion for possible speed bumps to help slow down traffic.
- **Lucky Draw** - did quite well this year. Flip cameras are being purchased for all classrooms to help capture moments. Additional document cameras will also be purchased.
- Ms Roper discussed the presentation by "**Free The Children**" for grades 1-5. This presentation helps children realize that they can make a difference in the world and has inspired a team from Queen Street to make a difference.

Movie Night Planning

- Movie Night was discussed in detail. Decisions were made on date, time, meal packages, advertising, etc.
- Volunteers were decided and committed to attending by 5:00pm on Movie Night.

Skate Night

- Details of a Queen Street Family Skate Night were discussed. Three options were discussed with a final decision of Thursday, March 15th. Further details to follow.

Next Meeting:

Thursday, March 22nd, 2012 - 6:30 pm
Light Snacks, Tea & Coffee are provided.
Babysitting is available.
