From the Office

It is very hard to believe that a month has passed since I began as Principal at Queen Street. During the month of January, I have been very busy learning about the wonderful things that happen at Queen Street from the staff and your children. I am very grateful for the extremely warm welcome that I have received! In the coming months I look forward to getting to know your children better and continuing to support the work that is being done by the dedicated educators at Queen Street. It is also my hope that I will have the opportunity to meet many families over the spring term as well.

Ms. Fraleigh

Black History Month

Each February, Canada recognizes and celebrates the contributions made by Black people to Canadian society. Black History Month provides the opportunity for Canadians to learn more about and celebrate Black history and heritage. As we participate in month long festivities and events we take the time to recognize the outstanding achievements of Black Canadians in all areas of Canadian life including in science and technology, media, the arts, sports, education, law, healthcare, military services, and financial services. Historically and contemporarily, Black Canadians have contributed to Canada's rich, cultural diversity.

Kiss and Ride

Parents, please remember that we have a Kiss and Ride at Queen Street where you can safely drop your students in the school yard without having to leave your car. This is the safest way for students entering the school yard. If you want to get out of your car, it is suggested that you park your car in the parking lot closest to the Kiss and Ride (closest to Gage). If you do park on the road at the front of the school, please ensure that you are walking your child safely to the school gate or front entrance. Please do not drop your child off in our bus lane. We appreciate your support as we work to keep our school community safe!
