## Middle School Regional Learning Choices Programs

Regional Learning Choices Programs (RLCP) empower students by providing an opportunity to develop and explore skills in a particular area of interest. The Peel board provides elementary students from across Brampton, Mississauga and Caledon with six different Regional Learning Choices Programs. The programs are open to all eligible students. The entry point is grade 6 for all programs, except for the Arts program South of Highway 401, which is held at Queen Elizabeth P.S and has a grade 7 entry point.

All regional programs include a non-refundable application fee and an annual program fee. Annual fees are specific to the program.
