WHERE DID THE TIME GO?

- At the end of January, Mrs. Rathbone celebrated her one year anniversary as Principal of Copeland PS. She took time at the January 26th Paws Assembly to thank everyone for a great year, and to help celebrate, students were treated to a new pencil, a school-wide "body break" and a video together. Mrs. Rathbone would like to thank the entire Copeland staff, students, School Council, and community for the on-going support over the past year! It is her pleasure to be principal of such a fine school! Merci beaucoup!

- Copeland Coyotes are participating in the Forest of Reading Program. Many grade 4 and 5 students have joined the Silver Birch Branch and all 4 and 5 students are welcome! Many students are well on their way to meeting their target goal of reading at least 5 of the 10 books. Keep up the fantastic work Coyotes!
- The Energy Hogs are in town! Watch out, because they will be watching how we use our energy. Remember to turn off classroom lights, LCD projectors, and computer monitors when they are NOT in use! Don't forget to use our composting bins and recycling bins whenever possible. Keep Copeland an environmentally friendly school!
- We have a newly formed Copeland "Arts Council"! It is an organization whose mission states ... "By promoting the Arts in a fun and positive way, students will have an opportunity to believe in themselves." This is a leadership group of students and teachers whose mandate is to support arts development at Copeland. They also offer their services to teachers with any promotional or organizational needs related to arts events or projects within, as well as outside, of the school setting. Very exciting!
