Lisgar Middle School Appropriate Use of Technology Agreement

As a student of Peel District School Board I value the opportunity to enhance my learning through the use of technology which will enable me to access information and collaborate with others across the school, community and the world. I understand that in the Peel District School Board, technology is to be used for educational purposes and I must be a responsible user and follow the expectations outlined below. The Peel District School Board's Appropriate Use of Technology Policy #78 is available on the board's website at [www.peelschools.org](http://www.peelschools.org).

**My responsibilities are:**

- Use good judgment in accessing material on the Internet.
- Create, display, use and store messages and images appropriately while demonstrating respect (e.g., no cyber-bullying or using others' passwords).
- Keep network password private except for my parents/guardians.
- Follow board security procedures and use board virus scanning software.
- Report technical problems or suspicious concerns of inappropriate material to a teacher immediately (e.g., pornography, violent, obscene or offensive images).
- Keep personal information private (e.g., age, address, phone number).

**I understand that:**

- Security, care and maintenance of a personal electronic device is the responsibility of the student. The school/board will not be responsible for PEDs that are lost, stolen or damaged.
- School Code of Conduct and academic integrity applies to use of technology whether accessing information from school, home or from a personal electronic device (PED).
- Information created on Peel board networks may be accessed and is subject to review.
- Use of PED's is at the discretion of the school administrator.
- Personally owned devices used for inappropriate or unlawful materials on Peel board property or while using the Peel board network will result in full investigation and the necessary actions will be taken.
- I am expected to comply with board policies, federal and provincial laws and regulations (e.g., Ontario Human Rights Code, Criminal Code, Education Act, Copyright Act, School Code of Conduct).
