PERMISSION FORM FOR WALKING TRIPS

Dear Parents/Guardians:

From time to time, as part of the learning day, students may take short walks around the school property and the immediate area. These excursions may include but are not limited to visiting the local library/recreation centre, visiting local neighbourhood schools or familiarizing students with their school community. All these trips involve walking and no monies are required.

By signing this form, you give your consent for your child to participate in these excursions which involve walking off the school property under teacher supervision.

I give permission for my child, _____, to participate in excursions which involve walking off school property under teacher supervision.

I do not give permission for my child, _____, to participate in these excursions which involve walking off school property under teacher supervision.
