

To help you in your course selection process, you can login to myBluePrint and look at the courses that are being offered for next year. Follow these steps to login to your new account:

**Step 1:** Go to the Applewood Height's School Website (<http://schools.peelschools.org/sec/applewoodheights/Pages/default.aspx>)

**Step 2:** Scroll down to the BYOD link on the right hand side

**Step 3:** Login to your BYOD by putting in your student number and password (birth year birth month and birth date, ie. 19990110)

**Step 4:** Activate your Outlook account (email) – this is done picking the country and timeline

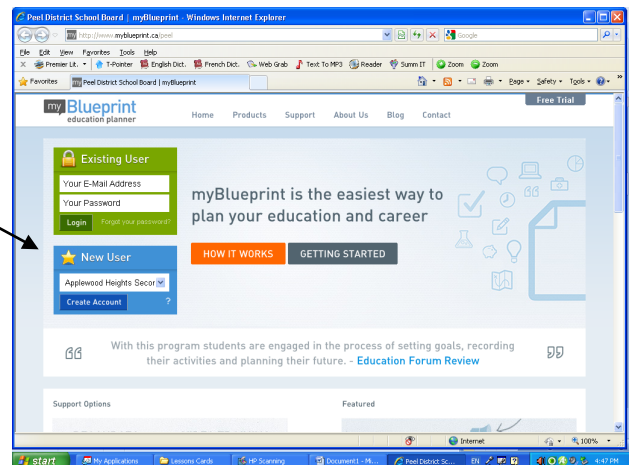

**Step 5:** Go back to Applewood Height's website and click on the myBluePrint icon.

**Step 6:** Select Applewood Heights under New User and click "Create Account".

**Step 7:** Select your current grade.

**Step 8:** Enter your OEN # (found on your timetable or student card) and your birth date.

**Step 9:** Enter your email, make sure to use your PDSB email, which is your student number @pdsb.org (ex. [123456@pdsb.org](mailto:123456@pdsb.org)). Enter a password that you will remember and your name – click "Create My Account".

**Step 10:** Activate your account by going back into your BYOD email and click on activate.

**Step 11:** Re-enter myBluePrint using the "Existing User" area.

**Step 12:** Click on the High School Planner and start clicking on the required courses
