

Message to inform school community of addition of secondary teacher/courses

May 28, 2019

Dear Cawthra Park Families,

As a result of recent information from the Ministry of Education, the Peel District School Board was able to allocate additional staffing to secondary schools. Cawthra Park received one additional teacher.

This allocation has allowed us to increase the number of sections in the following areas: Business, Family Studies, Mathematics and Technological Studies. Our focus continues to be offering courses that students require to graduate with an *Ontario Secondary School Diploma* or *Ontario Secondary School Certificate*. Pathway requirements, i.e. courses students need for post-secondary programs, are also a priority.

Staff will do their best to meet the needs of all learners. If your teen's timetable will be impacted by these changes, a guidance counsellor will contact them to review options.

Thank you for your understanding as we continue to work to find ways to offer a variety of courses that support the success and well-being of all students. As always, please contact a school administrator if you have questions or concerns.

Sincerely,

Tyler McLeod
Principal
