**EXAMINATION INSTRUCTIONS FOR STUDENTS****JANUARY 2019**

1. **IT IS THE STUDENT'S RESPONSIBILITY TO KNOW WHEN AND WHERE EXAMS WILL BE WRITTEN.** Exam room locations will be posted in classrooms and outside the main office, as well as on the school website at [www.clarksonss.ca](http://www.clarksonss.ca). Each student will receive a copy of the exam schedule complete with exam instructions. There will be no exam conflicts.
2. **If you are ill, or have another extremely extenuating circumstance on the day of an exam, call the school immediately (by 7:45 am), and ask to speak directly with your alpha Vice-Principal, Ms. Grant (A-K) or Mr. Kontos (L-Z) at 905-822-6700, Ext. 400. Examinations are compulsory; therefore, a medical note from your family doctor clearly indicating the doctor has examined you and found you unfit to write the scheduled exam on that day is required to the Vice-Principal within **24 hours of the scheduled exam**. Failure to do so will result in a zero being assigned as the exam mark. **A note from a walk-in clinic will not be accepted.** If you miss an exam for a legitimate reason, an alternate exam date will be arranged through the Vice-Principal, who will coordinate with the teacher. Make-up examinations will be completed before the end of the scheduled exam period.**
3. **Students arriving late for an exam will not be given additional time.** Late students will report directly to their scheduled exam room and use the remaining time allocated. The time of arrival will be recorded on the exam paper by the supervising teacher.
4. Exams are 1½ hours in length, ***unless indicated in bold***. Students are encouraged to use the allocated time for the exam, but they may leave any time after the first hour of the exam with the permission of the supervising teacher. Students who leave early must leave the building or report to the cafeteria for quiet conversation. **STUDENTS ARE NOT TO BE IN THE HALLS.**
5. Only textbooks being returned and materials for the exam are permitted in the exam room. Any items brought to the exam room that are not required for the exam will be stored at the front of the classroom. **All textbooks must be returned by the day of your exam or earlier to your classroom teacher or the department office. All materials borrowed from the library are due by Friday, January 11, 2019.**
6. Personal electronic devices that can be used to store data or communicate (i.e.- smartphones, iPods, translators, etc.) are not permitted in the exam room unless specifically indicated on the exam paper itself.
7. Students are to ensure that they have the appropriate materials required to write the exam: pens, pencils, eraser, ruler, highlighter, and a calculator, dictionary and thesaurus, if permitted, as stated on the exam paper.
8. If the school is officially closed for an emergency, or if the Peel District School Board buses are cancelled (which will be announced by 6:45 a.m. on the official radio stations), then the exams for that day will be postponed to Tuesday, January 29, 2019. Any revisions to the exam schedule will be posted in the main hallway.
9. Students should be aware that they will not be released from an exam room for any reason, including access to a washroom, unless escorted by a teacher.
10. Students are encouraged to arrange for transportation home following their exam, although the cafeteria is available for quiet conversation and the library for quiet study. Anyone removed from these locations due to inappropriate behaviour will lose this privilege and will be required to leave the building.
11. A student who communicates with another student during an exam or who has unauthorized materials pertaining to the subject will receive a zero for the exam and face further disciplinary action.
