Dear Parent(s)/Guardian(s):

**Re: Student Accident Insurance 2018-2019  
Protect your kids—and your finances**

The Peel District School Board does **not** provide accident insurance coverage for student injuries that occur on school property or during school activities including extracurricular sports. Each year, many of our families spend thousands of dollars when their children are injured at school, on field trips, while participating in non-school activities, or at home. If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by provincial health care or their employer's health care plan. Please check with your provider regarding your coverage.

The provincial health care system does **not** cover costs which are commonly related to accidents including dental work, ambulance fees, casts, crutches, and physiotherapy. All of these costs are covered by student accident insurance and as a convenience to parents, the Board has made arrangement to offer a plan to parents through Old Republic Insurance Company of Canada. To help protect your family, it is recommended that you consider obtaining student accident insurance. The insuremykids® Protection Plan offers a variety of plans and benefits at affordable prices for as little as \$8.00 per year

The enclosed application form provides details regarding rates and coverage plans. Family rates for three or more children are available even if they attend different schools in Peel. Additional savings are available with 3 Year and 5 Year Plans for on-line purchases prior to October 1, 2016.

The insurance agreement is between **You** and **Old Republic Insurance Company of Canada**. Please mail the application directly to them with your payment (no cash) using the self-addressed stamped application form.

You can also apply for coverage directly online at **www.insuremykids.com**. For more information call Old Republic Insurance Company of Canada toll free at **1-800-463-5437** or visit **www.insuremykids.com** for answers to frequently asked questions.

Student Accident Insurance is **recommended** (but optional) for all students.
