

Free dental care for children

Taking your child for a dental check-up at least once a year can prevent cavities and gum disease.

The Ontario Government offers **FREE** programs for regular and emergency dental care for children 0-17 years of age who qualify.

Call Peel Public Health at 905-799-7700 or toll free 1-888-919-7800 to find out if you're eligible.

Seal out tooth decay

A dental sealant is a material that is placed on the chewing surface of back teeth to prevent food from getting trapped.

Sealants are:

- safe to use
- applied in minutes
- long lasting
- low-cost

A tooth WITHOUT sealants

A tooth WITH sealants

Ask your dental clinic about sealants
