ONLINE COURSE ENTRY INSTRUCTIONS

Now that you have thought about your course choices, spoken to your parents, and consulted with your teacher, it is time to enter your course selections online.

1. Follow directions on the **Online Course Selection Guide for Students** handout on the back of this form. Remember to submit your courses only when you are absolutely sure about the courses you have chosen. You will not be able to change your courses once you hit the submit button.

If you encounter any problems with course selection, see your counsellor immediately.

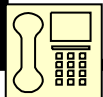

2. You can start the course selection process immediately.
