Please turn over for examination instructions

Examination Instructions For Students - June 2018

Buses will arrive and depart at the **regular times** during exam week. The last day of buses is June 26th unless exams have been rescheduled.

Students are to be in school **only on days that their exams are being written**. Students who are in the school building may quietly study in either the library or in the cafeteria. **Students are not to be in the halls, stairwells, or at their lockers when exams are being written.**

All textbooks are to be returned to the teacher upon arrival in the exam room. A student will be charged the replacement cost for the missing book.

Other than textbooks being returned, no notebooks or other materials may be taken into the examination room unless specifically instructed by the classroom teacher. Electronic devices such as iPods, cell phones, and cameras are not permitted in the exam room.

Students are to bring their own pens, pencils and other required materials to the exam room. Students will not be able to share items with other students. (Calculators, rulers, protractors, etc.) Phones, iPods, and other electronic devices may **not** be used in place of a calculator.

Students are expected to be at the examination room at least 10 minutes before the exam begins and may not leave the room until the examination period of 1½ hours is over. Students are expected to leave the exam area quickly and quietly as not to disturb the students who are continuing to write. Students are permitted to leave at the ½ hour following the initial 1½ hours before the end of the exam. If they choose not to leave at this time, they **must remain until the next opportunity or the end of the examination.**

- Students who are caught cheating on an examination will receive zero on their exam and may be suspended (suspension will be served at the beginning of the next semester).
- Students who fail to write an examination will receive zero until a Vice-Principal has approved an alternate plan.

All times and room locations will remain as they appear on the original schedule.

Exam Accommodations:

If you are entitled to receive accommodations for assessments, you will be receiving an email at your studentnumber@pdsb.net account on or around the last week of May requesting you complete the *Exam Accommodations Survey*.

****You are required to complete the *survey* even if you are choosing not to use your accommodations****

If you don't receive an email by the end of May and you feel you require accommodations, please see Mrs. Quintal in Special Programs.

Exam review and Report Card distribution will take place on Thursday, June 28th from 10 a.m. until 12:00 p.m.
