Reflective Learning

Reflect back on your first week at work. Was it a good week? Were you nervous? Excited? Anxious? Feeling awkward and conspicuous? **or** were you made to feel relaxed and at home? Have your expectations been met so far?

Discuss a particular incident during your first week that made you feel as if you were “centered out” or the “new kid on the block”.

Discuss any other feelings or issues you have.

Expectation: RL2 (Reflect on and analyze placement experiences)
