# Reflection Focus

“This week I am really stressed! I like (or don't like) my work and the people I work with at my coop placement but it is difficult to enjoy my work because of all the other pressures I am facing.” What is hindering you from reaching your goals and what changes can you make to your daily routine that might assist you in making things better?

Discuss any other feelings or issues you have!

**Expectation:** RL2 Reflect on and analyze placement experiences
