Dear Lorne Park Families,

As our partner in education, your input is valued and appreciated. We recognize your involvement is critical to student success, which is why we're sending this letter, inviting you to complete an online survey to tell us what you think about Lorne Park Secondary. Students and staff will also be invited to participate.

It is very important that we hear from all our families, so please take a few minutes to share your thoughts about our school with us. Instructions on how to access the online survey can be found on the back of this letter. The online survey is available in English, as well as 10 other languages which are spoken by Peel District School Board families. For families with more than one child at our school, please answer the questions with one of your children in mind.

The *Your Voice Counts* Survey is anonymous, so no one will know your answers. All of the results will be reported as a group. Once parents/guardians, students and school staff have completed the survey, we will share the results with you. The results will be used to help us best meet the needs of our students and school community and to guide our school improvement plans.

Please complete the survey by April 30th. If you have any questions about the survey, please contact the Peel board at 905-890-1010 ext. 2512 or email ssp.surveyhub@peelsb.com.

Thank you in advance for taking the time to share your thoughts with us. Your survey responses will help us ensure that Lorne Park Secondary remains a safe and welcoming place for your child to learn and grow.

With appreciation,

Peter Hill
Principal
