

IBT Enhancements

The following are examples as to how IBT funds are used throughout each school year for the various grades and courses encompassing our IBT program:

Experiential Learning in IBT :

- YMCA Leadership Retreat and Team Building
- Robotics Competitions
- Visit to and tour of University of Waterloo
- Ripley's Aquarium (science classes)
- Laser Quest (science classes)
- Power Up Student Digital Leadership Conference (business classes)
- MLSE Career Forum and Toronto Football Club game
- Future Skills Competition (technology course)
- Visit to York University - Schulich & Osgoode
- International Travel Experiences - NYC, Washington DC
- Welcome kits: t-shirt, backpack, mobile charger, stylus
- Science North experience - overnight team building
- RoboGeeks Milton
- University of Guelph Lab - Chemistry & Biology
- International Communities (i.e. Adobe Youth Voices)
- Humber College Business Simulation
- Accounting Contests (OBEA & CPA)
- University tour of Ontario and Quebec (visiting 6 campuses over 3 days)

Academic Enhancements in IBT Courses :

- Solar Powered Cells
- Vex Robotics kits
- 3D printer(s)
- Unique Science dissections (sharks)
- Sustainable Gardening & Food Production
- Drone Technology
- SAGE Accounting Software
- Optical Device Design
- LEAP McMaster University Program

**These enhancements are examples of what has taken place and will be similar in fashion year to year.*
