

# Envisioning an IBT student

## KNOW: An IBT graduate will have...

- A basic understanding of the core elements of business and technology
- An understanding of the role of technology in business and a global society
- Knowledge of current events and their impact locally and globally
- An awareness of new and emerging technologies
- A high level of competence using the internet critically and appropriately
- A critical awareness of how the world is inter-related and interdependent

## DO: An IBT graduate will have the skills to...

- Think critically to solve problems
- Build resilience and confidence to take risks
- Collaborate personally and virtually
- Articulate big ideas and make connections

## BE: An IBT graduate will be...

- Perseverant, motivated life-long learners
- Open-minded global thinkers
- Critically aware digital citizens
