Your time counts!

As a Ministry requirement for their secondary school diploma, students must complete 40 hours of volunteer work during their four years of secondary school. The aim is to encourage students to become actively involved in making positive contributions to their community. It is designed to promote good citizenship and help make students aware of the role they can play in their community.

If you have any questions, visit the "Student" section on the Peel Board website at www.peelschools.org
