Student eResources Page on the PDSB Intranet

Students can access eResources from home by logging in to BYOD from [www.peelschools.org](http://www.peelschools.org).

The student home page at school goes to your BYOD page.

To get to the eResources link click on Resources.
To get to eResources click on Library eResources. (Notice the link to our Library Catalogue as well.)

This will take you to the familiar eResources page.
To get to the eResources from Home link, click on Learning, then eResources from home.

This link will open the Accessing eResources brochure with database passwords.

Here is the direct link to the eResources page.
