

NORTH PARK SECONDARY SCHOOL

*Our Creed:
Respect, Achievement, Diversity, Citizenship, Responsibility*

April 4, 2017

Dear North Park S.S. Families,

As our partner in education, your input is valued and appreciated. We recognize your involvement is critical to student success, which is why we're sending this letter, inviting you to complete an online survey to tell us what you think about North Park S.S. Students and staff will also be invited to participate.

It is very important that we hear from all our families, so please take a few minutes to share your thoughts about our school with us. Instructions on how to access the online survey can be found below. The online survey is available in English and French, as well as the top 10 other languages spoken by Peel District School Board families. For families with more than one child at our school, please answer the questions with one of your children in mind.

The *Your Voice Counts* Survey is anonymous, so no one will know your answers. All of the results will be reported as a group. Once parents/guardians, students and school staff have completed the survey, results will be made available to the school community. The results will be used to help us best meet the needs of our students and school community, and to guide our school improvement plans.

Please complete the survey by May 5. If you have any questions about the survey, please contact the Peel board at 905-890-1010 ext. 2512 or email ssp.surveyhub@peelsb.com.

Thank you in advance for taking the time to share your thoughts with us. Your survey responses will help us ensure North Park S.S. remains a safe and welcoming place for your child to learn and grow.

With appreciation,

Pradeep Rajah
Principal
