EVALUATION:

Assessment and evaluation in this course will be based on provincial curriculum expectations. **The English Department at Port Credit believes that attendance and punctuality, as well as fulfilling assignment timelines are also significant elements for student success. It is also an expectation that homework be completed to enhance and to reinforce the learning that takes place during the school day.** Evaluation throughout the course and the final evaluation will incorporate four broad categories:

A final grade will be calculated: Term Work TACK 70% / Final Evaluation 30%

<u>T</u>hinking/ <u>I</u>nquiry	<u>A</u>pplication	<u>C</u>ommunication	<u>K</u>nowledge and <u>U</u>nderstanding	Culminating Activity

The exact weighting of these categories will vary depending on the subject, unit and type of evaluation. Students will also receive descriptive feedback as part of the assessments that will not form part of the student’s final marks.

Students in English courses will be encouraged to and instructed how to research and utilize secondary sources. Students must recognize the value of the printed page as well as Internet resources in the preparation of their work. Secondary resources must be recognized and cited in an annotated bibliography if required for a particular assignment. Failure to do so could result in a zero mark being assigned.

LEARNING SKILLS:

The following learning skills will be taught and assessed throughout the course and rated on the report card:

- * **Independent work** * **Collaboration** * **Initiative**
- * **Organization** * **Self-Regulation** * **Responsibility**

These skills will not be included in the final numeric mark unless they are part of the provincial curriculum expectations for the course. However, it is important to remember that the development of these skills is critical to academic achievement and does have a direct bearing on the final mark.
