June 30, 2017

Dear Rick Hansen S.S. Families,

I'm writing to make you aware about an **important change** affecting the method in which our school accepts online payments for school fees. As you know, *CashlessSchools* is currently our service provider for processing online payments and funds through an online system. We have been notified that as of June 30th, *CashlessSchools* is ceasing operations and will no longer be our service provider for processing online payments.

Important changes to note

CashlessSchools has requested parents to withdraw any remaining funds in their *CashlessSchools* account before August 31st, 2017. For more information about your account, please follow the instructions provided by *CashlessSchools* on the reverse side of this letter.

As of July 13th, our school will be transitioning to the Peel District School Board's preferred online service provider, *School Cash Online*, for online payment of school fees. *School Cash Online* is a user friendly, safe and secure online system which will allow you to pay for your child's school items from your computer or smartphone using eCheck, Visa or MasterCard.

Beginning July 13th, please register with *School Cash Online* by following the attached instructions. **2017/2018 student activity fees will be available for payment using School Cash Online.** Once you have registered, you will receive an email notification when the fees are posted on the *School Cash Online* website and you can log in to make your payment.

School Cash Online is used in more than 140 Peel schools thus far and provides parents with the ability to:

- Keep track of your children's school item and activity fees
- Check account history
- Print or view receipts
- Make donations to school fundraisers online and instantly receive a tax receipt
- Pay for school fees with the click of a button

We encourage our Rick Hansen S.S. families to visit our school website to learn more about this new program and register for School Cash Online. Our staff are also available to assist you in setting up your account and helping you transition from *CashlessSchools* to *School Cash Online*.

As always, if you have any questions or concerns, please call me at the school.

Sincerely,

Ms. P. Whyte
Principal

Instructions from CashlessSchools to withdraw funds.

As CashlessSchools will no longer be providing online payment services in the new school year September 2017, it is ***important to withdraw any remaining funds*** you may have in your CashlessSchools account.

- 1) If you do not have any funds in your CashlessSchools account (your account balance is \$0.00), you do not need to do anything.

****Note:*** *With a \$0.00 balance and no further activity, your CashlessSchools account will go dormant and be archived for historical purposes and be considered 'Closed'.*

- 2) If you do have remaining funds in your CashlessSchools account, AND, you have a pre-authorized debit (PAD) agreement set up on your CashlessSchools account (*i.e. under the 'Saved Bank Account' link from the left hand panel of options*), you can log in and make a withdrawal today.

*****Note:*** *if your school used the On-Campus Wallet to make cafeteria purchases, be sure to 'Withdraw from Wallet' the balance from your On-Campus Wallet back to your Cashless account prior to withdrawing all funds.*

- 3) If you do have remaining funds in your CashlessSchools account, AND, you do NOT already have pre-authorized debit (PAD) set up on your CashlessSchools account, CashlessSchools will be sending you an email later in June that will provide you with further instructions.

- 4) CashlessSchools will remain open and available through the summer to provide you with ample opportunity to withdraw any remaining funds in your account.

- 5) If you have any questions for CashlessSchools regarding the above, please contact them at: Support@CashlessSchools.com

Please turn over for information about the NEW Cash Online System for all Peel Schools.
