

**Dance, Grade 9 – Open**  
**ATC 100**

This course gives students the opportunity to explore a variety of dance forms in a studio and performance setting. Students will learn a variety of dance styles and techniques and also learn how to choreograph their own works. They will prepare for a dance performance towards the end of the course to display what they have learned. This course also includes workshops by professional dancers/teachers in the community as well as attending a live dance performance dependent on availability.

**Prerequisite:** None
