

**Dance, Grade 11 – University/College Preparation**

**ATC 3M0**

This course emphasizes the development of students' artistry, improvisational and compositional skills, and technical proficiency in global dance genres. Students will apply dance elements, techniques, and tools in a variety of ways, including performance situations; describe and model responsible practices related to the dance environment, and reflect on how the study of dance affect personal and artistic development.

**Prerequisite:** Grade 9 or 10 Dance, Open (ATC 100 or ATC 200)
