

Visual Arts, Grade 12 – University/College Preparation

AVI 4M0

Grade 12 Visual Arts hones critical thinking and creative process techniques for senior art students focusing on either 2D or 3D. Students analyze art historical style, form and content to inform their image making and design work. All studio projects require thorough documentation of creative process and upon completion are suitable for portfolio presentation in any post-secondary Arts program (Architecture, Animation, Illustration, Fine Art, Design)

Prerequisite: Any grade 11 Visual Arts course (AVI 3M0, AWS 3M0, AWF 3M0, AWQ 3M0)
