

**Visual Arts: Industrial Design (Architecture), Grade 11 – University/College Preparation
AWF 3M0**

This course emphasizes a more in depth study of art through concepts related to 3 dimensional design and architecture. Students apply drawing skills, 3D design concepts, and knowledge of art history to developing architectural studio pieces.

Prerequisite: Any gr. 9 or 10 visual arts course (AVI 100, AVI 200, AWF 200, AWS 200)
