

English, Grade 10 – Applied
ENG 2PL

This course is only available to International Students.

This course is designed to develop the oral communication, reading, writing, and media literacy skills that students need for success in their secondary school academic programs and in their daily lives. Students will analyze literary texts from contemporary periods, interpret information and graphic texts, and create oral, written, and media texts in a variety of forms. An important focus will be on the use of strategies that contribute to effective communication. The course is also intended to prepare students for the OSSLT and Grade 11 college English course, which leads to college preparation courses in Grade 12.
