

Hospitality and Tourism: Baking, Grade 11 – Workplace Preparation
TFB 3E0

This hands-on course introduces students to the hospitality industry in the area of Baking and Pastry Arts. Students will explore and practice proper baking techniques and learning professional standard in food-service safety, sanitation and personal hygiene. Students will bake a variety of artisan breads, savoury and sweet goods and classical desserts, learn how to interpret recipes, measure ingredients correctly and become familiar with industry equipment, baking terms and methods.

Prerequisite: None
