

**Hospitality and Tourism: Baking, Grade 12 – Workplace Preparation
TFB 4E0**

This hands-on baking course is a continuation of the grade 11 baking course (TFB 3E0). Students will continue to explore and practice proper baking techniques and learning professional standards in food-service safety, sanitation and personal hygiene. Students will also learn industry essentials and specialized techniques: production baking and decorating, branding and marketing, basic book keeping and financials, client consultations, cake photography, proper presentation, packaging, handling and delivery of final product.

Prerequisite: Hospitality and Tourism, Grade 11, Workplace Preparation (TFB 3E0)
