

## **Core French, Grade 9 - Academic**

### **FSF 1D0**

This academic French course emphasizes the further development of oral communication, reading, and writing skills that students have learned during their formative years in French. Students will build on and apply their knowledge of French while exploring a variety of themes such as; personal interests, culture within our communities, travel within Canada, types of new media, personal creativity, individuality and cultural backgrounds. This course will also have a focus on francophone culture in Asia and Africa. Thematic readings, which include a selection of short stories, articles, and poems, will serve as stepping stones to oral and written activities.

**Prerequisite:** 600 hours of French instruction
