

**Digital Communications Technology, Grade 12 – University/College Preparation
TGJ 4M0**

This course enables students to further develop media knowledge and skills while designing and producing projects in the areas of live, recorded, and graphic communications. Students may work in the areas of TV, video, and movie production; radio and audio production; print and graphic communications; photography; digital imaging; broadcast journalism; and interactive new media. Students will also expand their awareness of environmental and societal issues related to communications technology and will investigate career opportunities and challenges in a rapidly changing technological environment.

Prerequisite: Digital Communications Technology, Grade 11, University/College Preparation (TGJ 3M0) **OR** Communications Technology: Interactive New Media and Animation, Grade 11, University/College Preparation (TGI 3M0); **OR** Communications Technology: TV, Video, and Movie Production, Grade 11, University/College Preparation (TGV 3M0)
