Wow! What an Amazing third year! It is hard to believe that the 2016/17 school year is almost over. Thanks to the wonderful support of parents and the incredible work by all of our staff, amazing things have been happening at Chris Hadfield P.S. this year. Mrs. Curry-Sharples and I feel very fortunate to be part of such a terrific Astros Team. We are looking forward to working with you again next year. Best wishes to families who are moving from the Chris Hadfield P.S. community over the summer.

Have a terrific summer!!

Mr. S. Webb    Ms. M. Curry-Sharples
Proud Principal    Proud Vice-Principal

Volunteer Appreciation

On Wednesday June 14th Chris Hadfield P.S. Staff will be recognizing all of our volunteers for their amazing contributions to our school. Each and every day, volunteers support our students in reading programs, assist teachers in their classrooms and help to keep our students safe on field trips. All of the wonderful things that happen at Chris Hadfield P.S. would not be possible without the support of our volunteers. Your time is very much appreciated!

New Access to Chris Hadfield in September

Beginning September 5th, parents will be able to bring their children to school each morning using a gate at the back corner of our playing field by the forest. Parents will need to travel along Compton Crescent until you see a pathway which is between 2 houses. Follow the pathway until you see a gate which provides access to our playing field and follow the fence line onto the blacktop area to wait with your children.

*The gate will only be open from 8:45-9:00 a.m. and 3:10-3:30 p.m.**
For safety reasons, the gate will be locked for the rest of our school day.

CHILDREN’S SAFETY FIRST!
Parents, please help us to keep your children safe by following our school safety rules and discussing them with your children.

❖ Parents who use the Kiss ‘N’ Ride in the mornings, please do not arrive until 8:45 a.m. as there is no teacher supervision until that time.

❖ It’s great to see so many families walk to and from school each day. Please remember to stay on the school sidewalks and only cross at the designated crosswalks when entering and leaving school property.

❖ Remember that the long driveway into the school is for busses only.

Please be aware of students and families at all times when driving on school property. Thank you.

Busing Information

Dear parents, their will be changes to some of our busses for the next school year. To determine your child’s bus eligibility for September, please visit www.stopr.ca in late August. The Board’s Transportation Department will not be posting routes until then.
PIZZA DAYS

June Pizza Days will take place on the 6th, 13th, 20th & 27th.

Class Placement for 2017/2018

The creation of classes for September takes much time and thought. In determining the placement of students in classes, we take into consideration the following factors:
- The academic needs and learning style of each child;
- The social/emotional/behavioural needs of each child;
- Special support programs required
- The range of abilities of the students
- The overall class size and gender balance.

This is a highly collaborative process where teachers engage with one another and have many professional conversations regarding the best placements for individual students.

Class placement decisions are tentative and may change during enrollment re-organization in late September.

Thank you for your understanding.

Creation of Hope

This year, the Chris Hadfield P.S. Community continued to work together to raise funds to support Kikima, a small village in East Africa. Your support for this terrific learning opportunity for your child(ren) has resulted in funds of over $4,600 being raised!

Awesome job Astros!!

MOVING????

If you are moving over the summer or before the end of this school year, please let the office know (905 755-8843) as soon as possible, so that transfer papers can be prepared and given to you.

LIBRARY NEWS

I want to thank all the boys and girls who participated in our Blue Spruce and Silver Birch reading programs this year. The winner for all of Ontario has been announced. The winner for Blue Spruce is... The Night Gardener. The winner for Silver Birch is... The Biggest Poutine in the World.

Silver Birch readers - Thanks to those of you who joined Ms. Milovanovich and I at the Forest of Reading Celebration. What an awesome event!

Boys and girls, the library will be closing soon for the summer holidays. All our books need to be returned by Wednesday June 7th. Please make sure to bring everything back in good condition.

Thanks and enjoy the beautiful June weather, Ms. Brown.
BEING ON TIME IS A LIFE SKILL

It is very important to be on time for school. It shows that you value school and have a positive attitude towards schoolwork. When children arrive to school on time:

✦ They do not miss out on instruction
✦ They are not embarrassed by being late
✦ They are more relaxed and ready to learn

When children are late, they become anxious, upset and it can be disruptive to those students already at work. Please help your child(ren) get the most out of their learning.

LET’S ALL WORK TOGETHER TO HELP REDUCE THE NUMBER OF LATE STUDENTS AT CHRIS HADFIELD PS!

On the road again—how to keep your cyclist safe

Here are some tips you can review with your child to ensure bike season gets off to a great start:

The right fit
• children should be able to straddle the bike with both feet on the ground
• a bike that is too big or too small can be a safety hazard
the helmet should fit—if it’s too loose, it could fall off, if it’s too tight, it’s uncomfortable

Get noticed
✦ a young child’s bike should be equipped with a bell and reflector
older riders should have a light and/or reflectors

Follow the rules
• no riding on busy streets
• no riding at night
• stop for all STOP signs

Actions that cause injuries
• driveway ride out—not stopping and looking both ways before entering the street
• running the stop sign
• turning without warning
