

Proud to inspire every student

At the [Peel District School Board](#), our mission is to inspire success, confidence and hope in each child. There is no doubt that families play a vital role in helping us achieve this goal.

We value your involvement and want you to know it's appreciated. As our partner in education, we hope you'll stay connected to your child's learning throughout his or her entire school experience!

Plan for Student Success 2016-21

The Plan for Student Success is the strategic plan for the Peel District School Board, based on extensive consultation with staff, unions and federations, trustees, faith leaders, parents and students. The plan focuses our collective efforts to further student success, and aligns with the Ministry of Education's goals, as well as the board's [Mission, Vision and Values](#). These goals, each accompanied by a descriptor and projects, interconnect to achieve our mission to inspire success, confidence and hope in each student.
