August 2012

Dear Central Peel Students and Families:

I hope you are enjoying your summer and gearing up for a great year at Central Peel S.S. Together, we will welcome many new students to our school. I trust you are as excited as I am about a school year filled with many dynamic learning opportunities for each of our students.

Our staff is committed to working with students and our community to support and realize each students' academic and career goals. This will be encouraged and supported in a respectful, inclusive and safe learning environment.

To help ensure a smooth start to the new year, our Griffin Link Crew will host an Orientation Program for grade 9 students on Tuesday, September 4th, starting at 8:30 a.m. Grade 10 to 12 students should attend school on Tuesday, September 4th, starting at 12:00 noon, for registration and classes. It is important that all students attend classes on the first day of school. See the attached Student Orientation Information Sheet for additional details.

Over the course of the school year, Central Peel S.S. offers a number of events for students and families. We hope you'll be able to attend some or all of our upcoming events—your support is critical to our success. We have an active School Council and encourage you to become involved. Please note our meeting dates on the list of important dates enclosed. Our first School Council meeting will take place Thursday, October 4th at 7:00 p.m. in the school library.

We believe that open, two-way communication between the school and home is vital to the success and growth of our students. As our partner in education, we encourage you to:

- visit our school website at www.centralpeel.org
- record important dates on your home calendar
- attend our parent/guardian and teacher information and interview nights
- contact your teen's subject teacher or guidance counselor with any questions
- call the school at 905-451-0432 to connect with school staff or to make an appointment with a staff member

As principal, I have the privilege of working with the entire school community to help ensure that each student is successful in high school and beyond. I wish to thank you for choosing our great school for your secondary school experience. On behalf of all the staff, I wish each of our

students a personally challenging and successful year at Central Peel S.S. I look forward to working with you and your teen in the new school year.

Sincerely,

Lawrence DeMaeyer
Principal
