April 2020 UPDATE

---

# Chinguacousy SS

---

Dear Chinguacousy Families,

We hope that you and your families are safe and well and that your child(ren) are having a positive transition to Distance Learning.

As partners in your child's education, we look forward to supporting you as our students learn from home. As this situation remains fluid and information changes, we have provided current information here to ensure you remain in the loop!

---

## Distance Learning

At this time, your child should be receiving 3 hours of school work per course, per week. This would amount to a total of 12 hours of school work per week for students who have a full course load of four courses this semester. Students are encouraged to communicate with their teachers regarding any difficulties they may have so that they can be supported as much as possible!

Mid-term marks will be reported for Grade 12 students only. These marks will be reported on April 27<sup>th</sup>, 2020 in time for College and University submissions.

## Passwords

For students who are having trouble re-setting their password, the Board is working diligently to help resolve this issue. We expect to have a resolution soon.

## School Registration

Registrations for the September 2020 school year have been postponed until June 1<sup>st</sup>, 2020 or when school re-opens, whichever date comes first.

---

## Stay Connected!

Students can participate in virtual activities by checking out our Instagram @chinguacousy.ss and Twitter @chinguacousyss accounts to see all the latest challenges.

### NEXT WEEK'S CHALLENGES:

April 24<sup>th</sup>-28<sup>th</sup>

The Quarantine Games!

First Event

30 Second Trick Shot!

---

## Stay in Touch!

During the duration of the school closure, you may contact us through our school email [Chinguacousyss@peelsb.com](mailto:Chinguacousyss@peelsb.com)

## Stay safe! Be well!
