October 2020

Dear Clarkson 2020 Graduates and Families,

We regret to inform you that graduation ceremonies for the Class of 2020 are cancelled as a result of public health and safety measures imposed by the Provincial Government and Peel Region. Although every effort has been made to provide this memorable experience for our senior students, we must keep the health and safety of our graduates, their families, and staff as the priority. As a result, our planned celebration on November 7, 2020 cannot take place.

At Clarkson S.S., we are immensely proud of our graduating Chargers. We have arranged for graduates to pick up their Ontario Secondary School Diploma (OSSD), graduation award(s) and yearbook (if purchased) during the week of November 9-13, 2020, from 12:00 pm-3:00 pm each day.

Please call the school when you arrive and your package will be brought outside to you by a staff member. Parents will be allowed to pick up their child's package with a valid piece of identification.

Thank you for your support and understanding as we navigate challenges during this difficult time. If you have any questions, please contact our main office at 905-822-6700.

Sincerely,
