

## **Port Credit Secondary School Council Mission Statement**

The 2019/2020 Parent Council supports the mission of school councils to promote communication, parent engagement, open dialogue and positive relationships among parents, staff, and students in a shared vision of educational excellence.

To achieve this mission, PCSS School Council:

- Represents the voice of parents and other community stakeholders on important school and board related issues.
- Facilitates interaction and collaboration among parents, teachers, administrators, and students through regular communication
- Develops its goals and objectives to support student success, while recognizing the importance of parent input and the school success plan.
- Identifies and pursues opportunities to make resources available to benefit all Port Credit Secondary School students.
- Encourages parents to participate through volunteer activities or other initiatives.
- Engage parent participation in setting financial goals for funds raised during the school year.
- Support parents, students, teachers and staff in the evolution to 21<sup>st</sup> century learning.
