Dear Parent or Guardian:

As an extension of the curricular program, the Ski and Snowboard Club is planning an exciting full day trip to Blue Mountain. This activity is under the supervision of Mr. Dinner, Mr. Turner and Mrs. Maric. This will require your son or daughter to leave school property on February 12th, 2019 at 7:00AM. The return time will be about 6:00PM the same day.

The cost per pupil for the ski trip is $65.00.

Transportation is by Can Am Express Coach Bus. Mr. Jim Dinner and/or Mrs. Gordana Maric who are staff members at Streetsville Secondary will/could drive your child in an emergency situation. The drivers listed hold a "G" license and are covered by a minimum of $1,000,000 liability insurance. This is to certify that the drivers listed have a Peel District School Board approved Criminal Reference Check and has submitted, when appropriate, an annual Offence Declaration Form.

The excursion is an extension of the regular school program. Accordingly, expectations regarding student behaviour are the same as those for the regular school day. While we do not anticipate any problems, any serious breach of expected conduct on the part of a student may result in that student being sent home at the expense of the parent and further disciplinary action may be imposed.

Student information (parent contact numbers, medical information, emergency contact numbers etc.) contained on your child's school records will be taken along on the excursion and used only in the event of an emergency. Please ensure that all student information regarding address, phone numbers and medical or health concerns is up-to-date.

We are looking forward to an exciting and educationally worthwhile excursion. Please indicate your acceptance of the conditions outlined above by completing and returning to the school the attached form.

**Trip to Blue Mountain:**
- 7:00am – Bus leaves Streetsville Secondary School
- 9:00am – Bus arrives at Blue Mountain
- 9:30/10:00AM – Mandatory Lessons and Evaluation
- 4:00pm – Bus leaves Blue Mountain
- 6:00pm – Bus arrives back at Streetsville Secondary School

Sincerely;

Jim Dinner

I/We parent of ______________________ acknowledge receipt of the letter dated November 19, 2018 from the school with respect to the upcoming Ski and Snowboard Trip.

I/We give permission for our daughter to participate on the school trip to Blue Mountain and understand that every excursion has an element of risk and that the decision to participate is a personal, family decision and that in a case of accident, loss or injury, the Peel District School Board will not be held responsible.

I/We understand and acknowledge that neither the Peel District School Board nor the School will accept responsibility for any money not refunded by the excursion service provider should I/we decide not to permit my/our child to travel on the excursion.

***HELMETS ARE MANDATORY – NO EXCEPTIONS***

IMPORTANT

In addition to this online permission form, each parent or guardian is required to complete the Blue Mountain Permission Form and the Peel District School Board Permission Form. Both permission forms are printed forms. Both forms are required and submitted to the Blue Mountain Group Bookings office prior to granting lift tickets.
STREETSVILLE SECONDARY is arranging a trip for students to go to BLUE MOUNTAIN to Ski or Snowboard. This signed form is required for all students who wish to participate in this snow sport education program. It should be understood that the purpose of the excursion is educational. Lessons are mandatory for all groups. All students must participate in a formal lesson, and must be tested or grouped appropriately as determined by a qualified skiing/snowboarding/snow-blading instructor. (OPHEA Safety Guidelines, 2010)

INHERENT RISK
SKIING/SNOWBOARDING is a sport with physical demands and inherent risks which are beyond the control of BLUE MOUNTAIN, and the Peel District School Board. Falls, collisions and other incidents may occur and cause injury (dismemberment and/or death). Participants will assume the inherent risks of the sport. Following all rules and procedures can reduce the risk of injury. Failure to follow rules will result in students losing their lift tickets and future resort privileges.

EQUIPMENT
BLUE MOUNTAIN provides rental equipment. Properly adjusted bindings on equipment reduce the risk of injury when falling. They will not release under all circumstances, and they do not guarantee safety in all cases. It is strongly suggested that snowboarders provide and use their own wrist guards. Parents must accept responsibility for equipment that is lost or damaged (other than reasonable wear and tear).

SKIER'S / SNOWBOARDER'S RESPONSIBILITY CODE
The Ontario Ski Resorts Association has produced a Responsibility Code which BLUE MOUNTAIN, and the Peel District School Board requires that you know and obey. Skiers, snowboarders and snowlakers must always be in control and be able to stop and change direction to avoid collisions with people or objects. BLUE MOUNTAIN may revoke a ski ticket for violation of the code or other unacceptable conduct.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity. If you choose to participate in ski or snowboarding activities on February 12th, 2019, you must understand that you bear the responsibility for any injury that might occur. The Peel District School Board does not provide medical expense insurance on behalf of the students participating in this activity.

ACKNOWLEDGEMENT

TURN OVER - CHOOSE A SKILL LEVEL
All students must be classified according to their expertise for the purpose of program planning. These stages are consistent with the operations of member resorts of the Ontario Ski Resorts Association. The classifications must appear on the Parent Consent Form and be checked off by the parents. (Appendix #1).

*If the instructor at the ski resort feels the student has been classified in the incorrect category (after he has had a formal lesson and has been tested) it is understood that the ski resort instructor may change the original classification of the parent. (i.e. Intermediate to Beginner)*

**NON-SKIER/SNOWBOARDER/SNOWBLADER/TUBER** has never skied/snowboarded/snowbladed/etc. before (write name of sport on the following line)

________________________________________________________________________________________

**BEGINNER:** The student has skied/snowboarded/snowbladed/other (write name of sport on the following line) ___________________________________________________________________ once or twice or a few times per year and has experienced and maintained control on a number of novice hills of varying difficulty. He/she is able to stop and turn with some success.

**INTERMEDIATE:** The student has skied/snowboarded/snowbladed/other (write name of sport on the following line) ___________________________________________________________________ on many occasions and has experienced a variety of hills and different ski areas. He/she can turn and stop under control using recognized formal techniques.

**ADVANCED:** The student is an experienced and competent skier/snowboarder/snowblader/other (write name of sport on the following line) ___________________________________________________________________. He/she has received formal instruction, knows and understands the Responsibility Code and can demonstrate ability to an advanced level. Such students can be called upon to assist in the program.

*ALL STUDENTS, STAFF & PARENTS MUST WEAR A PROPERLY FITTING SPORT HELMET DESIGNED FOR SKIING/SNOWBOARDING/SNOWBLADING*

**SKI/SNOWBOARDING HELMETS MAY PREVENT HEAD INJURIES!**

**IT IS STRONGLY RECOMMENDED THAT SNOWBOARDERS/BLADERS WEAR WRIST GUARDS.**
NOTE TO PARENTS AND STUDENTS:

This note, Appendix 1a, must accompany the Special Winter Excursion Form / Parental Consent, Appendix 1b.

It is suggested that Appendix 1a be attached to the reverse side of Appendix 1b for distribution to parents.

This is an important document.
Please take it to someone who can explain it to you.

RENTAL EQUIPMENT

Bindings on equipment reduce the risk of injury when falling. They will not release under all circumstances and they do not guarantee safety in all cases. Parents must accept responsibility for equipment that is lost or damaged (other than reasonable wear and tear).

ALPINE / CROSS COUNTRY RESPONSIBILITY CODE

The Ontario Snow Resorts Association has produced an Alpine/Cross Country Responsibility Code which the named ski area: BLUE MOUNTAIN RESORTS LIMITED and the named school board: Peel District School Board requires that you know and obey. Skiers/snowboarders must always ski snowboard in control and be able to stop and change direction to avoid collisions with people or objects. The named ski area: BLUE MOUNTAIN RESORTS LIMITED may revoke a lift ticket for violation of the code or other unacceptable conduct.

All participants must wear an appropriate snow sport helmet for school excursions to OSRA member facilities. OSBIE recommends that schools adopt a mandatory snow sport helmet policy regardless of ski facility locations.

ACKNOWLEDGEMENT / INFORMED CONSENT

This signed form is required for all students who wish to participate in this outdoor recreation and snow sport education program. It should be understood that the purpose of this excursion is educational. Lessons are mandatory.

INHERENT RISK

Skiing/Snowboarding/other is a sport with physical demands and inherent risks which are beyond the control of Peel District School Board and BLUE MOUNTAIN RESORTS LIMITED

(Name of School Board) (Name of Ski Area)

The inherent risks include, but are not limited to: falling; use of lifts; collision with natural or man made objects or other persons; changing weather conditions; changes or variations in the terrain or surface, exposed rocks, earth or ice; travel beyond the trail boundaries. Incidents may occur which result in serious injury or death. Participants must assume the inherent risks of the sport.

It is strongly recommended by the Ontario Snow Resorts Association that you visit their website: www.skiontario.ca to review the complete OSBIE document and safety information on this site prior to your school visit. Following all rules and procedures can reduce the risk of injury. Failure to follow the rules will result in the student losing their lift ticket and future resort privileges.

We have read and understood the above information, and agree to the regulations as outlined by the Ontario Snow Resort member Ski Area. I give my son/daughter permission to participate in the above noted activity at the ski area indicated.

IMPORTANT SKI/SNOWBOARD INFORMATION

Assumption of inherent risks or injury and your responsibility
Skiing/snowboarding is a physical sport in a winter environment. Risks of serious injury are inherent in the sport. This requires your constant exercise of caution and prudent judgment.

Changing conditions
Weather conditions and patterns of skier/snowboarding traffic all affect the snow surface, sometimes making skiing/snowboarding more difficult. Always be alert to snow conditions and vary your skiing/snowboarding accordingly. Only you can judge your ability to ski/snowboard a particular run at any given time in control.

Snow depth and subsurface
Snow depth changes constantly and is not consistent at all points on the mountain. The underlying mountain surface is rough and uneven, therefore you must be alert for rocks, brush, bare spots and similar obstacles that may emerge through the snow at any time.

Natural and manmade obstacles
There are many necessary natural and manmade obstacles, such as lift towers, signs, fencing, snowmaking equipment, over-snow vehicles, gullies, streams and trees, both on and off ski/snowboard runs, which may cause serious injuries if you were to strike them. The only way to reduce the risk of collisions is to ski/snowboard in control and to stay clear of all fixed or moving obstacles. Avoid skiing/snowboarding at high speed. Skiing/snowboarding at a fast rate of speed reduces your reaction time.

Other skiers/snowboarders
Be alert that other skiers/snowboarders may lose control at any time. Exercise greater caution when a run is crowded. Give others room to maneuver. Follow the Alpine Responsibility Code.

Equipment
All equipment should fit properly and be in good repair.
Ski - The ski boot/binding system will not release at all times or under all circumstances and it is not possible to predict every situation in which the system will release. The system does not guarantee prevention of injuries
Snowboard – The snowboard boot/binding system is not designed or intended to release and will not release under normal circumstances. The system will not reduce the risk of injury during a fall.
Helmet – helmets are intended to help reduce the risk of some head injuries, however cannot completely eliminate or prevent this risk. Helmets do not prevent traumatic head injury or injury to the wearer’s face, neck or spinal cord.

Skiing/snowboarding in control
Any skiing/snowboarding may result in injury. Ski/snowboard with moderate speed, caution and respect for others. Respect all signs, markings, flagging and closures. They are there for your safety.

IRRESPONSIBLE SKIING/SNOWBOARD IS ENDANGERING THE FUTURE OF THIS SPORT. PLEASE HELP US REDUCE THE RISK AND MAKE SKIING/SNOWBOARDING MORE ENJOYABLE FOR EVERYONE.

BY PURCHASING A TICKET AT THIS RESORT YOU AGREE TO ASSUME THE INHERENT RISKS OF INJURY AND TO SKI/SNOWBOARD RESPONSIBLY.

RECKLESS SKIERS/SNOWBOARDERS WILL LOSE THEIR SKIING/SNOWBOARDING PRIVILEGES.
ALPINE RESPONSIBILITY CODE

There are elements of risk that common sense and personal awareness can help reduce. Regardless of how you decide to use the slopes, always show courtesy to others. Please adhere to the code listed below and share with others the responsibility for a safe outdoor experience.

1. Always stay in control. You must be able to stop or avoid other people or objects.
2. People ahead of you have the right-of-way. It is your responsibility to avoid them.
3. Do not stop where you obstruct a trail or are not visible from above.
4. Before starting downhill or merging onto a trail, look uphill and yield to others.
5. If you are involved in or witness a collision or accident, you must remain at the scene and identify yourself to the Ski Patrol.
6. You must use proper devices to prevent runaway equipment.
7. Observe and obey all posted signs and warnings.
8. Keep off closed trails and closed areas.
9. You must not use lifts or terrain if your ability is impaired through use of alcohol or drugs.
10. You must have sufficient physical dexterity, ability and knowledge to safely load, ride and unload lifts. If in doubt, ask the lift attendant.
11. Parents or guardians are responsible for their children’s activities on ski area property.
12. Avoid going through Ski and Snowboard classes. The same goes for race courses, unless you are a participant.

KNOW THE CODE. IT’S YOUR RESPONSIBILITY.

This is a partial list. Be safety conscious.

SKI/RIDE WITH CAUTION

Be aware of changing conditions. Natural and man made obstacles exist. Snowmaking and grooming activities are continually in progress. Use caution and ski/snowboard only on designated slopes or trails. Everyone should realize that falls and collisions do occur and injuries may result and therefore, assume the burden of being in control at all times.

BLUE MOUNTAIN TICKET REMOVAL POLICY

To help maintain courteous skiing and snowboarding at the resort, certain Blue Mountain personnel, ski patrolers, courtesy patrollers and lift operators have been given the authority to warn skiers and snowboarders, and if necessary, remove their lift tickets or Season passes for the following reasons:

1. Reckless skiing/snowboarding, high speed skiing/snowboarding, jumping or tucking (skiing/snowboarding out of control or straight down the hill in a crouch). When skiing/snowboarding downhill you must avoid the skiers, trail groomers, maintenance vehicles or objects below you.
2. Skiing/snowboarding out of bounds (skiing/snowboarding on closed trails or on trails that are not lit during night skiing/snowboarding).
3. Bouncing the chair or skiing/snowboarding out of the tracks on a surface lift (this could derail the cable).
4. Impaired (use of alcohol or drugs) or carrying a wine skin.
5. Abusive language (swearing and cursing).
6. Splitting tickets (cutting lift tickets in half), or transfer of a Season Pass to another person. This is a fraudulent offence and the OPP will prosecute.
7. Jumping out of a chair before the unloading area (this could derail the cable).

PENALTIES

1st Violation:
Day skiers will have their tickets marked or removed. Season Pass holder will have their passes marked or removed for a minimum of 24 hours and must pick up their pass at the Ski Patrol Headquarters.

2nd Violation:
Season Pass holders will lose their pass for a minimum of 7 days and will have to pick up their pass at the Ski Patrol Headquarters.

Further Violations or Violations of #6 or #7 – Ticket Removal Policy

Season Pass will be revoked without a refund.

FREESTYLE TERRAIN

Blue Mountain has the following Freestyle Terrain areas: Greatest Hits and the controlled access Terrain Park. Note: school groups will not be permitted in the controlled access Terrain Park.

Posted Freestyle Terrain Rules
1. This area has been designated and constructed as Freestyle Terrain for advanced riders and skiers only.
2. There are many elements to maneuver over and around.
3. Inspect the elements and terrain, their risks and degree of difficulty before participating.
4. Use freestyle terrain within your ability.
5. Do not jump blindly; use spotters- Look before you leap!
6. Obey the Alpine Responsibility Code at all times.
7. Helmets are mandatory.

SERIOUS INJURY AND EQUIPMENT DAMAGE CAN OCCUR

By using Freestyle Terrain you are assuming the risk of all such injuries.
