

TO SIGN UP FOR SUMMER SCHOOL

The screenshot shows the website for The Woodlands Secondary School. At the top, there is a search bar and the school's name and motto: "Inspiring all students in an inclusive, caring, and supportive community to reach their potential". Below this is a navigation menu with links for Home, About Us, Academics, Parents, School Council, Student Life, Student Services, Professional Learning, and Alumni News. The main content area features a "What's New" section with several news items, including "The Woodlands wins at the Physics@Mac Online Competition" and "Music Students WIN!". There is also a "Learn more" section with a "subscribe" button. On the right side, there is a "Quick Links" section with various utility links like "MWay Route Map", "Parent Web", "MyClass", "BYOD page", "Blueprint education planner", "Student Web", "WORLD", and "Student Transportation". A large red arrow points from the bottom of the instructions box towards the "New Online Registration" link on the website.
